

Last Chance to Join!

As we wind down to our last few weeks at school, I wanted to make a last round of invitations to join in on our Educational tour to Paris, France and Davos, Switzerland next July, 2019!

Our trip to Paris and Davos is designed to show our students an in-depth view of the local cultures, customs, and landscapes. Additionally, our tour will give your child the opportunity to experience hands-on learning activities, as well as expertly-guided tours.

Here are some examples of what your child will get to experience:

- Visit The Eiffel Tower and Notre-Dame Cathedral
- Explore the Louvre museum and see the Mona Lisa
- Take a street art tour of Paris
- Enjoy Paris' lights at night while on a Seine River cruise
- Travel to Davos, Switzerland and participate in the Global Leadership Summit!

Our travel partner, EF educational tours, has always put education at the forefront of the travel experiences they offer students. Because of this, your child will have the opportunity to get ahead at school because of their commitment to education. I sincerely believe that this opportunity will not only build your child's confidence and independence, but allow them to stand out more easily in college and job applications.

There are only **4 spots** left on the tour, and I will be closing registration on **May 20th**. Now is the best time to sign up since monthly payments are still low, and your child has all of Summer to fundraise for their trip. A student working a 20 hour-per-week part-time job at minimum wage can earn up to \$2,400. In addition to that, Summer is a great opportunity for your child to use their fundraising web-page (provided by EF) to Don't miss out on this opportunity to be a part of our adventure, sign up as soon as possible!

I am looking forward to having your child join our adventure! Travel truly is the best way to open the world to our students here on the islands. I am thrilled to have the opportunity to broaden your child's perspective through educational travel!

Sincerely,

Murielle Sipola
